

You're invited to launch the Conifer Historical Society and Museum's Collections Committee.

Our inaugural meeting will be held Saturday, June 2 at 9:00 am at the Little White Schoolhouse.

We know you're passionate about preserving our local history. Here's an opportunity to advise *how* we preserve the artifacts that make up the Conifer Historical Society and Museum's collections. The work of the Collections Committee seeks to inform exhibits and programming that will engage and inspire community members of all ages.

You're invited to launch the committee at our inaugural meeting on Saturday, June 2 at 9:00 am at the Little White Schoolhouse.

The newly forming Collections Committee is looking for community members to advise and assist in:

- Establishing policies for accepting artifacts into our collection
- Photographing three dimensional objects
- Populating our growing catalog
- Researching items of historical value

If you are not able to attend the meeting, but would like to assist in work, there will opportunities available by directly contacting the committee chairperson, Susan Switzer
