

King Soopers is changing their Community Donations Program!

*Making it easier for you to **support the Conifer Historical Society**, simply by having them scan the **King Soopers Rewards Card** already in your wallet!*

Starting **April 1, 2019**, King Soopers is retiring their Reloadable Gift Card Program, and replacing it with a program that uses your King Soopers Rewards Card! When you check out, just have the cashier scan your Kings Card like you always do, and King Soopers will automatically donate to CHSM on your behalf.

To register your King Soopers Rewards Card to support CHSM:

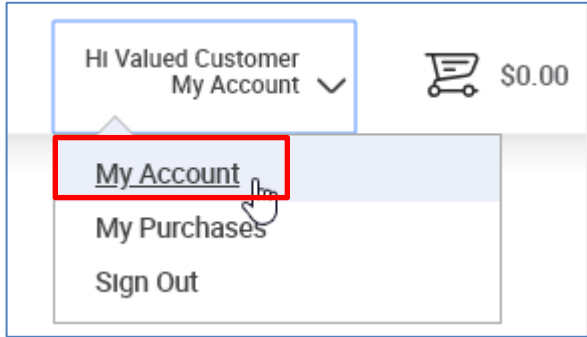

- 1) Go to <https://www.kingsoopers.com/> and log in (or create) a KingSoopers.com account. This account will be tied to your existing Kings Card, OR to any alternate ID you choose (such as your phone number).
- 2) Once logged in, Click on **My Account** (upper right hand corner, under your name) and Choose **My Account**.
- 3) From the left hand side, click on **Community Rewards**
